

Bott AdBlue Filling Systems GmbH – location and contact

Bott AdBlue Filling Systems GmbH
Römershager Str. 15a
D-97769 Bad Brückenau, Germany
Fon +49-(0)9741-910320

From the north / from the direction of Fulda

- On the A7 Motorway take the Bad Brückenau/Volkers exit, turn right and continue along the B27 in the direction of Bad Brückenau. Continue through the town centre.
- At the crossing (Traffic light/OPEL-dealership) turn left onto the B286.
- After approx. 500 metres turn right into the Römershag industrial area (Römershager Str., at the Volkswagen dealership). Continue along the Römershager Str. for about 500 metres. The company premises are on the left hand side.

From the south / from the direction of Würzburg

- On the A7 Motorway take the Brückenau/Wildflecken exit, turn left and continue along the B286 in the direction of Bad Brückenau. Continue on this road and drive through the hamlet of Römershag.
- Directly after the sign for Bad Brückenau "Stadt" turn left into the Römershag Industrial area (Römershager Str., at the Volkswagen dealership). Continue along the Römershager Str. for about 500 metres. The company premises are on the left hand side.

From the west / from the direction of Frankfurt/Hanau

- On the A66 motorway take the Schlüchtern Süd exit in the direction of Schlüchtern
- Drive through Schlüchtern, stay on the main road, travelling in a south-easterly direction towards Sinnthal.
- Continue in the direction of Bad Brückenau (through Mottgers).
- Continue across "Staatsbad" Bad Brückenau, in the direction of "Stadt" Bad Brückenau. Stay on the main road (it becomes the B27)
- At the traffic lights/OPEL-dealership continue right along the main road.
- After approx. 500 metres turn right into the Römershag industrial area (Römershager Str., at the Volkswagen dealership). Continue along the Römershager Str. for about 500 metres. The company premises are on the left hand side.
- Tip: You can alternatively continue on the A66 motorway from Frankfurt to Fulda (then see above).
